Mornington Great Outdoors Show

After a long wait and run of cancelled shows due to the Covid-19 pandemic and the success of the Sale Great Outdoors show late last year, the Great Outdoors Show organizers have been able to announce that over the 10th, 11th, 12th and 13th of March 2022 the Mornington Great Outdoors Show will run. It will be held at Mornington Racecourse. Four Wheel Drive Victoria hopes to see plenty of our members there!

Macalister Camp Host Thank You

A big thank you to the Macalister 4WD club who ran a successful camp host at Howitt Hut over the Australia Day week. There was a big turnout with plenty of fellow campers surveyed and good times had by all.

Lifeblood February Update

The Four Wheel Drive Victoria challenge has kept going into the second half of the 21/22 financial year with 100 donations so far and 300 lives saved, a tremendous effort! With 5 months left to go there is still plenty of time to get your donations in and help out those in need of blood.

If you need any help locating your nearest donor centre or would like to know more about the challenge please email projects@fwdvictoria.org.au.

Labor Day Camp Host Upcoming

The Labor Day long weekend is coming up and there are plenty of campsites ready for your club to run a camp host. If you already have a campsite in mind please let the office know otherwise we can help to find your club the perfect campsite. It is a great opportunity to get out and start off the year with some volunteering alongside Parks Victoria/DELWP and to be able to get back out camping again!

VGO Works

Recently members of the Four Wheel Drive Victoria office and board went out the the Snowy River Natonal Park to assist Parks Victoria in upgrading the Snowy River Iconic Drive tracks and campgrounds with money allocated from the Victorian Great Outdoors funding. The trip made a great opportunity for Four Wheel Drive Victoria to make sure our members are able to continue to enjoy great tracks to drive on and comfortable campgrounds with plenty of modifictions and upgrades now in the planning stage to be undertaken in the very near future. At this stage there are similar trips upcoming with similar outcomes expected for the Wonnangatta Drive and also the Davies Plain Drive.

Don't Forget Those Volunteer Hours

To ensure we meet our volunteer KPI's with the Government we need to make sure that clubs and members record any volunteer work that you are involved with. Volunteer work includes simple things like clearing fallen trees as well as track clearing, camp host, clean up the bush and any other charity or volunteer work your club does. You can easily download the volunteer data collection forms from our website or from our Closed Facebook Group page.

Victorian Four Wheel Drive Show Postponed

Unfortunately due to the current COVID-19 situation the decision has been made to postpone the Victorian Four Wheel Drive show until a later date. When this date is announced we will let all our members know the new dates so there can be as many members there as possible.

Trackwatch

Four Wheel Drive Victoria need interesting articles and high resolution photos about your club for Trackwatch magazine. Trackwatch is distributed far beyond our clubs and is seen by many organizations, businesses, Government agencies and politicians so it is a great way to show your club to the world. Please email your articles and photos to projects@fwdvictoria.org.au
