

**SUSTAINABLE FOUR WHEEL DRIVING
ENVIRONMENTAL VANDALISM REPORT**

This form should be used when you see environmental vandalism off road in Victoria. People who cut down trees in camp sites, who do donuts anywhere, who drive in and out of water crossings or bog holes numerous times to enlarge the hole, who destroy 'road closed' signs or pull out gates.

If you witness this type of behaviour please report it and help us make a difference!

When you have completed the form please email it to the office at Four Wheel Drive Victoria office@fwdvictoria.org.au We also recommend you try to take photos of the vehicles involved or the incident without putting yourself in any danger. We will then follow up with you for any further information we may require and will report back to you with any outcome achieved. If that matter is of a more urgent nature call 000 or DELWP on 136 186 or Parks Victoria on 131 963
